Julie, I received the above message from my friend Betty Prudden who works with Eagle Rock & will be part of the camp. Your goods works are so appreciated, Diana.

"The Eagle Rock Board met today, and Lynn and Jill were very happy with the cards--beautifully done--and they spoke of the individuality and the positive messages. Each person, kids included, will get one in their welcome bag. They always enjoy getting personally recognized.

Please express my thanks to your group. So glad they got to visit our office. 🍷😊"
